Presentación / Présentation / Presentation / Präsentation

En Estamp cumplimos 90 años. Casi un siglo en el que hemos fabricado y vendido millones de artículos en todo el mundo.

Nada de esto hubiera sido posible sin la inestimable cooperación de todos y cada uno de nuestros colaboradores, dentro y fuera de nuestra empresa. Tampoco sin la creatividad y el acierto de nuestros diseñadores y la colaboración de nuestros proveedores. Es por eso que hoy queremos agradecer a todos ellos que nos hayan acompañado durante este largo viaje, e invitarles a que sigan haciéndolo durante muchos más.

Chez Estamp, nous avons 90 ans. Presque un siècle dans lequel nous avons fabriqué et vendu millions d'articles dans le monde entier.

Rien de cela aurait été possible sans l'inestimable coopération de tous et chacun de nos collaborateurs, dans et hors de notre entreprise. Aussi sans la créativité et le succès de nos designers et avec la collaboration de nos fournisseurs. C'est pour cela qu'aujourd'hui nous voulons remercier à tous ceux qui nous ont accompagnés pendant ce long voyage et les inviter à continuer de le faire pendant beaucoup plus.

At Estamp we celebrate our 90th birthday. Nearly a century during which we have manufactured and sold millions of articles worldwide.

This would not have been possible without the valuable co-operation of each and every one of our teammates, inside and outside our company. Nor without the creativity and the success of our designers and the co-operation of our suppliers. So today we wish to thank them all for walking beside us during this long journey, and to invite them to go on doing so for may more years to come.

Bei Estamp feiern wir 90 jähriges Jubiläum. Fast ein Jahrhundert, in dem wir Millionen Artikel hergestellt und weltweit verkauft haben.

All dies wäre nicht möglich gewesen ohne die schätzbare Zusammenarbeit mit jedem einzelnen Mitarbeiter, innerhalb und außerhalb unseres Unternehmens, und überdies der Kreativität und dem Geschick unserer Designer sowie der Beteiligung unserer Lieferanten. Deshalb möchten wir uns heute bei allen bedanken, die uns auf dieser langen Reise begleitet haben und Sie einladen, dies noch für viele weitere Jahre zu tun.
